Cost as a Barrier

Cost as a Barrier is a program offered by community associations and funded by the City of Saskatoon to help families with low incomes participate in community programs.

All applications are confidential. This is a great program enabling families to enroll their kids in activities they may not otherwise have a chance to participate in. Contact any board member or ask for more information at registration.

Register in September via the Wildwood Community Association

www.engineeringforkids.net/saskatoon

Soccer Update!!

New Soccer Programming & "D" League coming soon.....

We would like to take this opportunity to introduce a new program for children ages 2-5 called HappyFeet. HappyFeet is owned and operated by the ASTRA Soccer Academy and is designed to work in conjunction with SYSI Mini-Soccer. Please see the details below regarding HappyFeet.

Who: Classes for 2-3 year olds and 4-5 year olds

What: HappyFeet focuses on the acquisition of physical literacy and the development of gross motor skills while teaching children to master the ball from an early age. Through the use of stories, songs, nursery rhymes and childhood games, children begin to develop agility, balance, coordination, strength and flexibility. All classes are 30 minutes in length and each child has their own ball for the entire duration of the class. HappyFeet is essentially play time with a ball!

Where: New classes are constantly being added; www.happyfeetsask.ca to view the most current class locations.

When: HappyFeet classes run one day per week for a six week period. Summer classes are weekday evenings, while winter and fall classes often run weekend afternoons.

Cost: \$40.00 per six week block.

Under-10 Indoor Development (D) League – An enhanced developmental opportunity for interested players in the U10 age group that wish to improve their skill level in an optimal training environment overseen by Zone Technical Directors. The U10 D-League involves 10 games and a minimum of 20 practices from October to March.

This newsletter has been hand delivered by volunteers in the Wildwood Community. This is a great chance to get outdoors, go for a walk, and to get your kids participating in the community as well!

Thank you to all of the people who help deliver the newsletters.

Once again, our community is showing its Support! Please contact Jaimie at info@ourwildwood.ca if you are able to help with delivering the next newsletter.

The Zumba® Kids program is the ultimate dance-fitness party for young Zumba fans ages 7-11, where they can play it loud and rock with friends to their own rules! This program features age-appropriate music and moves that get kids movin' to the beat. It's all about feeling fearless on the dance floor, reinforcing the idea that it's okay to just be yourself and dance like no one's watching!

Riddles

Q: What comes down but never goes up?
A: Rain

Q: I'm tall when I'm young and I'm short when I'm old. What am I?
A: A candle

Q: We see it once in a year, twice in a week, and never in a day. What is it?
A: The letter "E"
