**Community Watch**

Community Watch is a flexible crime prevention and crime interruption program that supports the partnering of the Saskatoon Police Service and the community in making our communities a safe place to live and work.

**Make a difference**

Being involved in the dissemination and acquisition of crime related information will assist in making your community a safe place to live and work. With proper information, communities and police can work on solutions to existing problems.

**It's easy to get involved.**

Do a security audit of your home or business and upgrade any deficiencies.  
Mark and photograph your property for identification  
Introduce yourself to your neighbours. "A trusted neighbour is one of the most effective crime prevention tools ever created"  
Share information you receive through the Community Watch network with anyone you feel may benefit from it.

**Why Report Suspicious Behavior?**

The members of a community are the ones most familiar with the people, the vehicles, the activity and routines in that neighborhood. The community is best able to identify when something varies from the norm or something is not right.  
Police seldom come across crime in progress.  
Someone else may not have called the police - you can't assume they have.

There have been reports of suspicious activity in Wildwood Community. The Wildwood Community Association and the Saskatoon Police Service encourage residents to report suspicious behaviour and activities to (306)975-8300. These reports can be completely anonymous. Everyone in our neighbourhood needs to be aware of this issue. This type of activity should not be tolerated within our community.

**Coffee with a Cop**

We invite you to have Coffee with a Community Police Officer this coming New Year.

The purpose of the program is to enhance the relationship between the police and the portion of the community who rarely have interactions with the police. It is an effort to let people get to know officers on a more personal level and not just see a uniform in a patrol car.

Please join us at Bishop Pocock Library January 18 7:30pm.

**Who Should I call?**

If you see a crime in progress call 9-1-1  
To report a crime that is over with or not emergent call 306-975-8300  
To anonymously report information to the police call Crimestoppers at 306-975-TIPS  
To report an ongoing problem in your neighbourhood call the Community Liaison Officer in your area of the city. Please refer to the Patrol Divisions map to determine your division.  
Central -306-975-2265  
East - 306-975-8032  
Northwest - 306-975-2296
