Cost as a Barrier

Cost as a Barrier is a program offered by community associations and funded by the City of Saskatoon to help families with low incomes participate in community programs. Our Outdoor Rink:

The Wildwood Rink is open and the ice is in great shape thanks to our dedicated volunteers. The winter has brought some severe ups and downs with temperatures, which makes it difficult at times to keep up with maintenance. The rink lights are on each day from dusk until approximately 10:30pm. The warm up shack is open Tuesdays and Thursdays (sometimes other evenings) from 5:00-9:00pm, and Sundays from 2:00-4:00pm.

When using the rink please provide room for all patrons to use the ice (skating and hockey), treat other skaters with respect at all times, and keep food and drinks off the ice surface as it may damage our snowblowers and the ice.

If you are interested in using the rink for an event, hockey practice, or to volunteer please contact us at wildwoodrink@gmail.com and provide your name and number to reach you. If you notice anything at the rink that is unsafe or needing maintenance please contact us immediately.

Thanks again to the volunteers who help keep up the ice for everyone to use safely.

Sincerely,

~ Chris Gillings
