WILDWOOD

Wildwood Community Association

Happy Holidays!

Mark your calendars: registration for our programming running January to March will be 7-8pm on January 9 at Bishop Pocock School.

This year, we have a great selection of programs and activities for all ages to keep active and have fun during the winter months.

We are currently finalizing the plans for our winter Fun Day in the Park! You can expect many of the same fun activities as previous years. If you have suggestions to help heighten the fun, send them our way: info@ourwildwood.ca.

On behalf of all of us at the Wildwood Community Association, and the residents of Wildwood, I want to give my thanks and appreciation to **Allan Construction** and **Skyxe**—the Saskatoon Airport—for their generous donations towards replacing the lights at our rink!

And, of course, we can always use a few more volunteers—if you have some time to spare, consider joining our team!

Wildwood Rink is Open!

Rink lights are on from dusk until ~10:30pm
Warm-up Shack is open: Tues/Thurs 5-9pm, Sunday 2-4pm

The **Wildwood Rink** is ready to go for another great outdoor skating season. We thank **Allan Construction** and **Skyxe—the Saskatoon Airport**—for their generous donations for our rink lights!

If you use the ice and the shack is open, feel free to use the shovels to scrape the ice—but please return them to the shack when you are done. If you scrape the ice please push the snow all the way to the boards and remove it from the ice so that the edges are not curved upwards.

When using the rink please provide room for all patrons to use the ice (skating and hockey), treat other skaters with respect at all times, and keep food and drinks off the ice surface as it may damage our snowblowers and the ice. Please remember that the rink is for use by anyone regardless of age, and to act respectfully when there are young children and/or families present.

Thanks to all the great volunteers who have put in many hours to get the ice in and keep it maintained for everyone to enjoy.

If you are interested in helping maintain the rink please contact us at wildwoodrink@gmail.com and provide your name and number to reach you. The rink is regularly maintained by volunteers who work hard to make sure it is in good shape for everyone. If you notice anything at the rink that is unsafe or needing maintenance please contact us immediately.

Sincerely,
Outdoor Rink Volunteers

Greetings from Wildwood School

Wildwood School is an exciting place to be, filled with joy, rigorous learning, and a great sense of belonging! We have an enrollment of just over 220 students in Kindergarten to Grade 8, along with 30 staff members. The Rosewood Cooperative Pre-school and Kid n' Around Before and Afterschool Care programs are located in our facility. We are also home base to several unique programs in our school division including the Homeschool Program and the Program for the Visually Impaired. Please feel free to stop by for a visit or join us for one of our assemblies or special concerts, which are usually displayed on our school sign out front!

We are excited to be planning our **Kindergarten Information Evening at 6:30 pm on January 17th in our Library**. If you have a child who will be five years old by January 31st of 2019, they are eligible to begin Kindergarten in the 2019-2020 school year. Please join us for more information!

Yours in learning,
Candace Ahmed
Principal, Wildwood School
