WCA offers cost-as-a-barrier assistance to those facing financial hardship in an effort to ensure that all Wildwood residents who want to participate in a program are able to. All inquiries are kept confidential. Please contact [membership@ourwildwood.ca](mailto:membership@ourwildwood.ca) for information on this program.

KidSport is a children’s charity which assists children of families facing financial obstacles to **participate in community sport programs so that all kids can play**. KidSport Saskatoon is now adjudicating applications monthly so organizations and families will know if they are successful in receiving funding quicker.

**Note:** Applications are due at least 30 days prior to the start date of the activity or registration, as it takes a month to process after the deadline.

If you know of a family who would benefit from the program the application form and more information can be found here: <http://www.kidsportcanada.ca/saskatchewan/saskatoon/apply-for-assistance/>

The Wildwood Community Association outdoor rink is having another great winter! Thanks to everyone for their help keeping the ice in great shape so far. Please remember to clean up when you leave the rink as garbage or other items can damage the snow blowers or be dangerous for other skaters.

If you're interested in volunteering this winter we could use some more people to help scrape the ice, clear the snow, and flood. It's a great way to get some exercise, and with more people helping makes the job easier, faster and the ice is in better condition as well. Please contact us at [info@ourwildwood.ca](mailto:info@ourwildwood.ca) or [gillings\\_chris@yahoo.ca](mailto:gillings_chris@yahoo.ca), and provide your name and phone number to reach you next time we head to the rink for maintenance.
