

President's Message

Dear Wildwood Residents,

In this time during our pandemic response and restrictions your Wildwood Community Association Board of Directors hopes you are staying healthy and are enjoying our beautiful summer weather, and are also still able to safely connect to others in our community.

The WCA Board is still very active looking at ways to continually improve our community, and also looking forward to the fall with activity programming that will help keep our community connected and engaged. We are continually working with the City of Saskatoon and the school boards to ensure all WCA activities are in line with all pandemic control guidelines and requirements, and we are prepared to adjust as necessary as we learn more as things change.

We invite you to visit our website and continue to safely participate in local activities organized through the WCA, visit www.ourwildwood.ca for more information. Also, if you have any questions or concerns about living in Wildwood, please do not hesitate to contact the WCA Board directly through the Contact Us section on the website.

Finally, please plan to attend our **WCA AGM (in-person or virtually) on Wednesday, September 16th.** Here we will be discussing moving forward in our current environment with services and activities and conducting the vital business which helps keep our community a great place to call home. We will also be looking for new members to join our association and contribute and bring new value to our community.

Sincerely,

Patrick Hauser

DOGGIE TAILS

Reasons to Scoop the Poop!

Poop is not fertilizer.

Dog feces do not fertilize the ground and has negative effects on grass and plants.

Poop is expensive.

Fines start at a \$100 for failure to immediately remove pet feces from public or private property.

Poop will make you sick.

Dog feces carry bacteria that pollute the environment and many diseases that can put children and other pets at risk.

Poop doesn't make friends.

Every time you don't scoop the poop, you provide a reason for others to dislike dogs and their owners.

Please be a good neighbour and clean up after your pet.

Find more responsible pet owner information at saskatoon.ca/animalservices.
