**HAPPY HOLIDAYS & BEST WISHES FOR 2021!**

**DECEMBER 2020**

Dear Wildwood Residents,

On behalf of your Wildwood Community Association (WCA) Board of Directors, I wish you Happy Holidays! I hope you are staying healthy and enjoying our recent beautiful winter weather. I hope it continues throughout December and into the New Year!

The WCA Board remains actively looking at new ways to allow for safe activity programming in our community, and using online tech for more offerings. We continue to work with the City, our local schools, community partners and other community associations to ensure all WCA activities are in line with all current pandemic control requirements, and we are prepared to adjust as restrictions continue to change.

We invite you to visit our WCA website and continue to participate in the local activities organized through our association, please see the programming details in this newsletter and visit [www.ourwildwood.ca](http://www.ourwildwood.ca) for online registration and for more information. Also, if you have any questions or concerns about living in Wildwood, please do not hesitate to contact the WCA directly through the Contact Us section on the website.

As well, please note that the WCA is managing the maintenance of our **neighbourhood skating rink**, behind Bishop Pocock School. **Thank you to our rink coordinator and all the volunteers making this happen!** We are fortunate to have this excellent and well-maintained amenity in our community. However, due to the current restrictions we cannot open the warm-up shack, and we are unable to have the hockey nets on the ice. While we'd all like to see these conveniences available, we just cannot allow it right now. **We appreciate your understanding and cooperation.**

Sincerely,

Patrick Hauser, 2020-2021 Wildwood Community Association President
