

WHAT: Road Resurfacing

WHEN: Beginning the week September 12, 2026

WHERE: 8th Street East from Moss Avenue to Boychuk Drive

The City of Saskatoon (City) has inspected this location and determined the road requires resurfacing. **Prairie Paving** will be completing this work, which will take approximately **12 DAYS** to complete, weather permitting and barring unforeseen circumstances.

All businesses and major parking lots will have a minimum of one access available at all times. For parking lots with one access, flaggers will be used to facilitate vehicles.

Work will be completed in phases. The first phase will take approximately 6 days, followed by a one-week break. The final phase will then take another 6 days to complete.

What is Road Resurfacing?

Road resurfacing involves replacing the asphalt layer of the roadway. This treatment is chosen when the asphalt is in poor condition, but the road structure below is in good condition. The contractor will begin this work by removing the old, deteriorated asphalt. This will be followed by the placement of new hot mix asphalt.

Important Information for Residents

- Hours of construction are between 7:00 a.m. and 10:00 p.m. with work after hours and on weekends as required.
- Heavy equipment will be required to complete this work. Some noise and vibration are anticipated.

Common questions

Will black, blue, or green cart collections be affected as a result of this work?

Residents directly adjacent to the work are required to leave their carts as close to their normal pick-up location [without placing it in the adjacent work area] prior to 7:00 a.m. on the day of collection. The contractors will coordinate the pick-up of your cart; however, they will not enter private property to relocate your cart.

If a **black or green cart** is not emptied on the scheduled collections date, please contact the Customer Care Centre at 306-975-2476. *Cart collections will not be rescheduled if the cart was not placed in the pick-up location prior to 7:00 a.m.*

If a **blue cart** is not emptied on the scheduled collection day, please report the missed collection to Loraas by calling 306-242-2300.

If a **private commercial bin** within the work zone cannot be re-located for collection, please contact your service provider to arrange an alternate collection date. If a collection cannot be rescheduled and is not emptied on the scheduled collection day, please contact the Customer Care Centre at 306-975-2476.

Will there be traffic and street/driveway access restrictions?

Yes, the road will be fully closed to traffic and access to adjacent driveways will be closed after 6:00 a.m. on the day work is set to begin.

Will parking be affected?

Yes, there will be no access to parking on the street or to parking lots adjacent to the work area. Area residents, businesses, and visitors are required to find their own alternative parking.

If you have a SaskAbilities parking permit and require access during the project, please contact us at constructionupdates@saskatoon.ca prior to the day construction is set to begin.

Will bus routes change?

Saskatoon Transit routes may be affected. In some cases, alternate bus stops will be established. Use the mobile app called “Transit” for real-time bus information.

Please inform residents with disabilities and older adults using their preferred method of communication so they are fully aware of any changes.

Will mail services be affected?

Canada Post has advised that some mail services may be affected due to construction activity in the area. For more information and to determine if your mail services are affected property owners are required to contact Canada Post directly at 1-866-607-6301.
